SANDWICH_

Fried chicken, also known as Southern fried chicken, is a dish consisting of chicken pieces that have been coated with seasoned flour or batter and pan-fried, deep fried, pressure fried, or air fried. The breading adds a crisp coating or crust to the exterior of the chicken while retaining juices in the meat.

FRESH JUICE_

Juice is a drink made from the extraction or pressing of the natural liquid contained in fruit and vegetables. It can also refer to liquids that are flavored with concentrate or other biological food sources, such as meat or seafood, such as clam juice.

HOTDOG SPECIAL

A sandwich is a food typically consisting of vegetables, sliced cheese or meat, placed on or between slices of bread, or more generally any dish where in two or more pieces of bread serve as a container or wrapper for another food type. The sandwich began as a portable finger food in the Western world, though over time it has become prevalent worldwide.

MOJITO SPECIAL

Mojito is a traditional Cuban punch. The cocktail often consists of five ingredients: sugar (traditionally sugar cane juice), lime juice, soda water, and mint. Its combination of sweetness, citrus, and herbaceous mint flavors is intended to complement the rum, and has made the mojito a popular summer drink.

Luqaimat

LUQA IMAT

These are sweet fried dumplings made of milk, sugar, butter, and flour and covered in date syrup. Luqaimat is undoubtedly the most famous traditional dessert. Though a bit calorific, these are too good to resist.

The outside of Luqaimat is crunchy, while the inside is soft and spongy. They are dipped in date syrup and garnished with sesame seeds. Flavoring is done with cardamom and saffron. Just like the dessert, Luqaimat in Arabic means small or bite-sized.
